The Brooke Jackman Foundation

The Brooke Jackman Foundation is a not-for-profit organization created in response to the World Trade Center attack that claimed the life of Brooke Jackman, age 23. Its mission is to honor Brooke's legacy – a deep love of reading and a profound interest in helping children – by helping to create and support programs enhancing the literacy and self esteem of children. ★ Proceeds from the Brooke Jackman Run for Literacy will directly support the Brooke Pack, Project Brooke, and Brooke's Books projects offered to children in diverse city, agency, and school programs. ★ **About Brooke** – A lifelong resident of Oyster Bay, Brooke was affectionately known as “Brookie Cookie” or “the Brookster.” Though fiercely independent and determined, she was always compassionate. Brooke had already devoted her young life to those less fortunate. She never judged, but always listened both with her ears and with her heart. She never denied help to those who asked, and often gave it to those who didn't. She could light up a room with just her smile . . . and show you that things were never as bad as you thought they were. ★ Brooke had the ability to succeed in any endeavor no matter how difficult, but remained modest and humble. She was a voracious reader – reading almost a book each day. ★ Brooke loved to walk, and could always be seen with her water bottle and trusted backpack. Her kindness, beauty, and intelligence will forever be remembered.
