Brooke's Story and Legacy

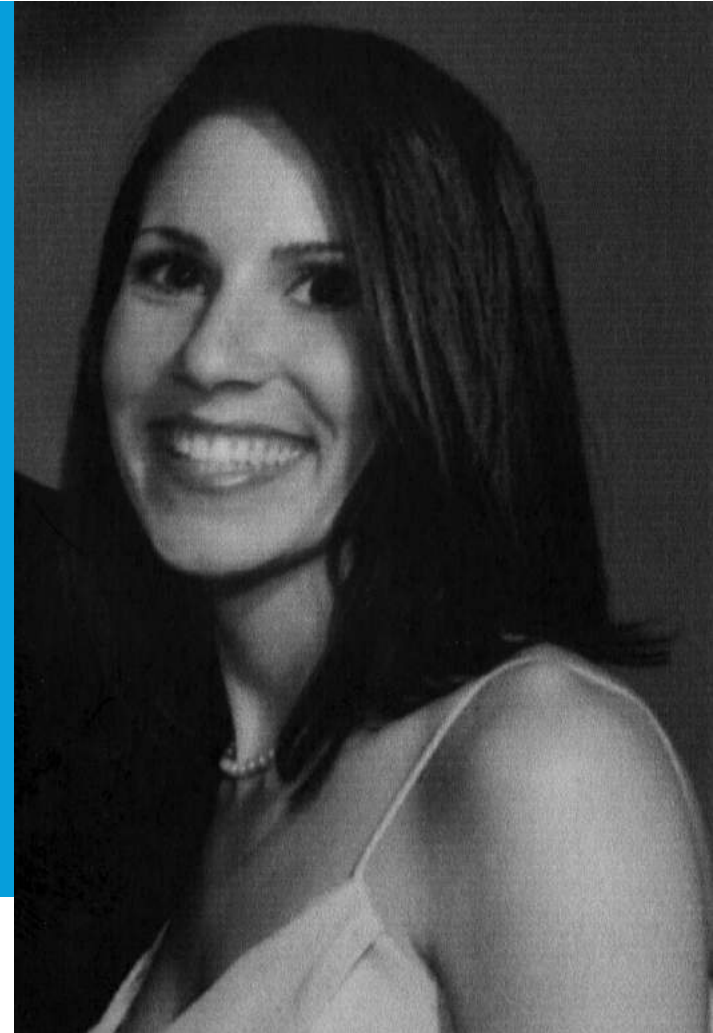

Everyone who knew Brooke said the same thing... She had a different relationship with each of us, but to all she was a true, loyal friend — caring, compassionate, understanding, fun, energetic, beautiful inside and out, with a brilliant mind and a glowing smile.

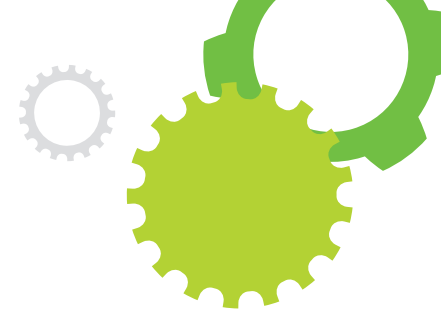

Brooke's Story and Legacy

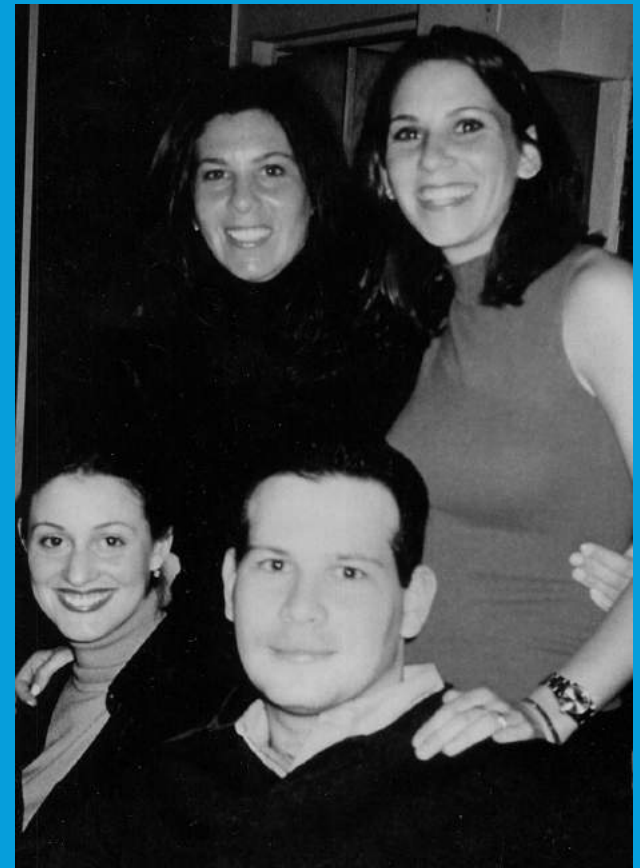

Brooke had a photographic memory—with total recall—and was the person whom friends and family called when they couldn't remember something. She was a perfectionist with herself but never with others. She tried to see the best in everyone and was always there for anyone lucky enough to be a part of her life.

Brooke's Story and Legacy

Brooke was the fix-it person, shopping partner and best friend to her sister and she was also the one her brother quizzed on all sports statistics, becoming his little buddy. Brooke attended lectures and special events with her mom and matched wits with her dad, and was always available to help with a crossword puzzle.

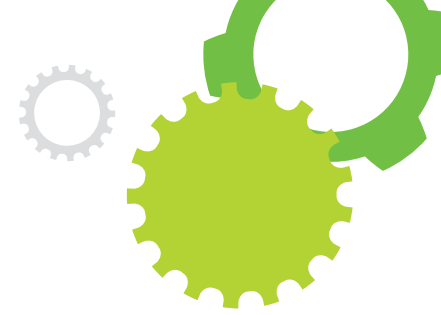

Brooke's Story and Legacy

To her friends, she was the person who got the inside joke, gave the best advice and was trusted enough to be a special confidante. Although she was so many things to so many people, one thing everyone knew was that they could count on Brooke.

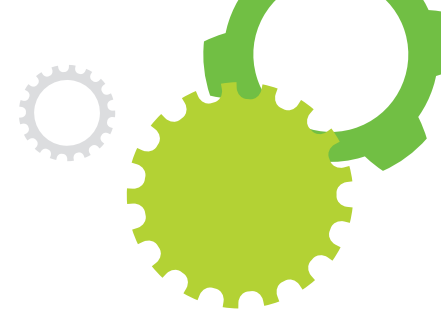

Brooke's Story and Legacy

The most important people to Brooke were her family members and friends, whom she talked about incessantly. Brooke meant something very special and unique to all of us, and anyone touched by her in some way still carries a special piece of her inside of them.

Brooke's Story and Legacy

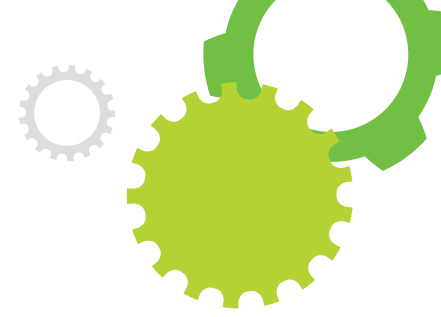

Brooke's family and friends all knew about Brooke's love of books. She read constantly — when she got off the school bus, walking down the city streets, and as a child at camp when she was supposed to be sleeping.

Brooke's Story and Legacy

The night before the September 11th attack on the World Trade Center, Brooke told her mother that there was more to life than making money. She planned to get her M.S.W. at Berkeley's School of Social Work so that she could help disadvantaged children.

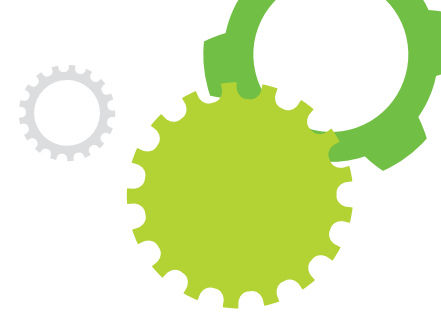

Brooke's Story and Legacy

At only 23, with so much hope and promise, Brooke had her whole life in front of her wiped away. In an instant, our beautiful Brooke was taken from us.

Brooke's Story and Legacy

Now Brooke's family and friends do this for her and for all of the underserved children who never got the chance to have Brooke herself come into their lives.

BROOKE PACKS

Brooke Packs are backpacks filled with notebooks, pens, pencils, erasers, rulers and other school supplies, given to underprivileged children. Each **Brooke Pack** is also filled with brand new, age-appropriate books.

BROOKE PACKS

“

When kids start the school year with the supplies they need, they feel like they are entering school like their peers and they are more confident in class. That translates into their academics as well. When kids start the year prepared, they are on track to a successful school year.”

BROOKE PACKS

This year, 5,000 underprivileged children in the New York area received **Brooke Packs**. We have given out over 30,000 **Brooke Packs** to date.

BROOKE PACKS

“

I am very thankful for the help and book bag that my son was given. I know that with the proper tools my son will learn this year. Thank you very much.”

BROOKE'S COOKS

Brooke's Cooks is a series of nutrition information workshops, cooking demonstrations, and readings that promote literacy, learning and family values.

BROOKE'S COOKS

Brooke's Cooks encourages healthy living among at-risk children and their families in the New York City area.

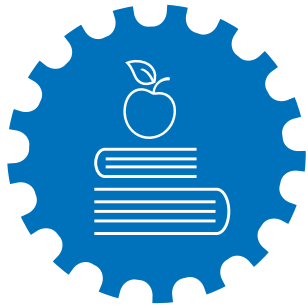

BROOKE'S COOKS

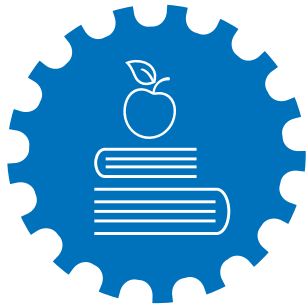

In its first year, **Brooke's Cooks** has served over 300 children and their families and has expanded to 6 new locations.

[illegible]

The **Brooke's Books** program was created in honor of what would have been Brooke's 30th Birthday (August 28, 2008).

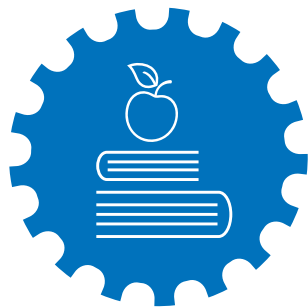

BROOKE'S BOOKS

Each year, the Foundation gives a brand new book to every one of the 10,000 disadvantaged children in our programs.

BROOKE'S BOOKS

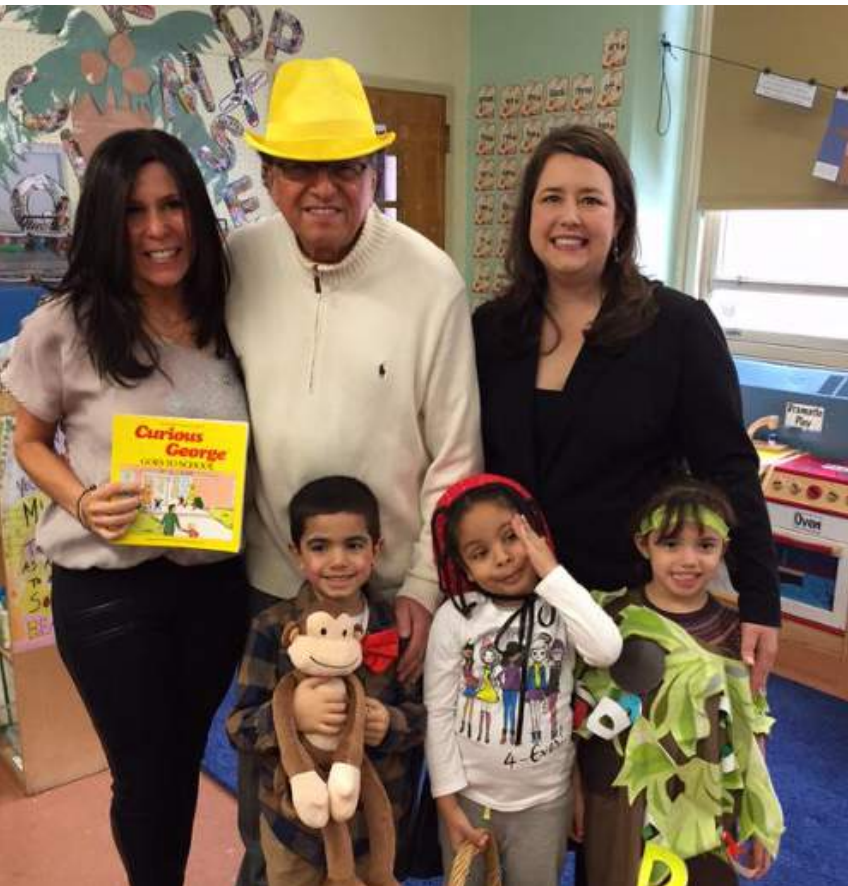

To date, we have given out more than 250,000 new books to disadvantaged children in BJJ programs.

BROOKE JACKMAN FAMILY LITERACY

The Brooke Jackman Family Literacy Programs are designed to engage parents, guardians and children in literacy-based activities. In each session, participants receive take-home literacy packages, age-appropriate books, and concrete learning strategies.

BROOKE JACKMAN FAMILY LITERACY

“
Every child in this city should
experience the joys of reading
from a young age, and the BJF
workshops are an exciting way
to promote literacy.”

— First Lady of New York City Chirlaine McCray

BROOKE JACKMAN FAMILY LITERACY

The Brooke Jackman Family Literacy Programs are now in 11 sites in the metropolitan area.

BROOKE JACKMAN FAMILY LITERACY

“
Through [BJF's] wonderful family literacy program, children and their parents/caregivers are provided with an opportunity to experience, as a family, the joy of reading in a safe, supportive environment.”

– Rose Pierre-Louis, Commissioner of the Mayor's
Office to Combat Domestic Violence

6th Annual Read-a-Thon

6th Annual Read-a-Thon

The **BJF Read-a-thon** is a free event that celebrates the positive power of literacy and commemorates more than a decade of instilling the love of reading into hundreds of children throughout New York.

6th Annual Read-a-Thon

This year we were joined at the **Read-a-Thon** by New York City Weatherman Mr. G (WPIX-11), NYC fire Commissioner Daniel Nigros, and Fatima Ptacek (voice of Dora the Explorer).

13th Annual Benefit

Our **13th Annual BJF Benefit** celebrated another successful year of bringing the love of reading to children. The **Benefit** was attended by over 400 of our supporters and raised more than \$400,000.

13th Annual Benefit
